AIMS AND OBJECTIVES

INTRODUCTION

The College of Nursing is one of the departments of Kurji Holy Family Hospital, Patna, Bihar. It is situated on the southern bank of the river Ganges, Patna-Danapur Road. It is 6 kilometres from the Patna Junction Railway Station and 9 kilometres from Airport. The hospital was started in 1939 at Patna City by the Medical Mission Sisters. In 1958 it was moved to the present location in Kurji, Patna. The College of Nursing is affiliated to the Bihar University of Health Sciences ,Patna, Bihar and recognized by the Indian Nursing Council, New Delhi and the Bihar Nursing Council and Government of Bihar.

Kurji Holy Family Hospital is managed in partnership by the Medical Mission Sisters and the Sisters of Charity of Nazareth from the year 2000. It is a 300 bedded general hospital, which provides the necessary clinical experiences to the students. The students go to: -

- a) CIP, Kanke/RINPAS Ranchi, Jharkhand for Psychiatric experience.
- b) Mahavir Cancer Hospital, Patna for Oncology.
- c) CNS Hospital for Neurology and neuro surgery.

PHILOSOPHY

- We are inspired by the Spirit of Jesus and His teachings which enable us to render our service to the sick and needy with love and compassion.
- We prepare the nurses to keep in pace with the latest professional and technological developments.
- We believe that higher nursing education will be an inspiration for nurses to develop their potentialities and to function as efficient members of the health team and contribute generously to society as useful and productive individuals and citizens.
- The organization believes in a system of education that fits in with the changing educational patterns of the country to meet the health needs of society.
- We believe in maintaining an ecological balance and bringing peace and harmony on the planet through scientific principles of nursing education and practice.

AIMS

- To provide an educational programme through which the graduates as professional nurses will be prepared to assume responsibility in the primary, secondary and tertiary care of people.
- To upgrade the critical thinking skills and standards required for the practice of professional nursing and midwifery.
- To develop excellence in nursing with a view to generate new innovative approaches in the health care system.
- To assume the role of staff nurses, teachers, supervisors and managers in clinical and public health settings.
- To facilitate in conducting research studies in the area of nursing practice.

OBJECTIVES

After completion of the B.Sc. Nursing Degree Programme, the graduates as professional Nurses will be able to:

- Demonstrate competency in nursing skill.
- Participate as members of a health team in the preventive, curative and restorative health care delivery system of the country.
- Access health status and identify nursing needs, plan, implement and evaluate nursing care for patients that contribute to the health of individuals, families & communities.
- Demonstrate leadership qualities and decision-making abilities in various situations with regard to nursing care.
- Participate in research activities and utilize the findings in improving nursing standards.
- Recognize the needs for continued learning for their personal and professional development.
- Practice ethical values in their professional and personal lives.
- Communicate effectively with individuals, groups, and members of the health team in order to promote effective interpersonal relationships and team work.
- Demonstrate skills in teaching to individuals and groups in clinical/community health settings

AFFILIATION & RECOGNITION

Affiliated to the Bihar University of Health Sciences near Mithapur, Patna-800001 (Bihar)

Recognized by:

- The Indian Nursing Council, (INC)-New Delhi
